Aurora grocers are still asking \$4.50 for standard grades of flour—the 42-lb. sacks—a local down town grocer said this morning. The whole-grain barrel price has dropped \$1 the barrel since yesterday.

One wholesale dealer said this afternoon that they were charging the barrel of flour at \$17.50 the barrel (that yesterday they got \$17.40 for the same grade. Day before yesterday the same flour sold for \$17.85. This is a drop of \$1.40 in two days. Wheat has dropped 46 cents since the trading in the grain futures was stopped.

Local grocers, however, must sell flour on the basis of what it cost them and as most of the dealers had to buy at the high prices they must sell accordingly.

The price of sugar, butter, eggs, potatoes, strawberries, and all fresh fruit and vegetables remains the same today as for the past several days.

MILUKOFF OUT OF SLAV REGIME

Great Russian Leader Retires From Cabinet as Coalition Government Is Planned.

FOREIGN POLICY IS PROBLEM

(By Associated Press Leased Wire.)

Petrograd, May 16, via London, 3:40 p. m.—Paul N. Milukoff, minister of foreign affairs, has resigned, leaving the cabinet altogether. Mr. Terechinski, minister of finance, has been appointed foreign minister, and A. F. Kerensky, previously minister of justice, has been named minister of war and marine.

Petrograd, May 16, via London.—Having discussed the conditions under which representatives of the Council of Workmen and Soldiers' Delegates would consent to enter the cabinet, the provisional government decided today that it was unable to accept the first of these conditions. This called for the announcement as a fundamental principle of a foreign policy, openly pursuing the aim of reaching as soon as possible a general peace without annexations or indemnities, on the basis of the right of nations to work out their own destinies. The provisional government was unable to agree to such a principle, because it did not consider possible any renunciation of principle. It set forth in its proclamation of April 2. The provisional government further thinks it necessary to confirm the unity of all allied fronts, and insists on an energetic struggle against anarchy. To the financial and economic reform mentioned in the Council of Workmen and Soldiers' Delegates, the government raises no objections, regarding it as part of its task to realize such reforms. The executive committee of the duma has approved this decision of the government.

Coalition cabinet. The probable composition of the coalition cabinet, as reported today with reserve, follows: Premier and minister of the interior, Prince G. A. Lvoff, (the incumbent); Premier of public instruction, Prof. Paul Milukoff, (now foreign minister); Minister of foreign affairs, M. Terechinski, (now minister of finance); Minister of finance, A. I. Shingareff, (now minister of agriculture); Minister of commerce and industry, A. I. Konovaloff, (now minister of trade and commerce); Minister of communications, N. V. Nekrasoff, (the incumbent); Minister of war, A. F. Kerensky, (now minister of justice); Minister of marine, M. Skobelev, vice president of the Council of Workmen and Soldiers' Delegates; or Admiral Koltchak, commander of the Black Sea fleet; Minister of agriculture, M. Tchernoff, a revolutionary socialist; Minister of labor, M. Gvozdev, a social democrat; Minister of justice, M. Nikitine, a Moscow lawyer and social democrat; or M. Malankvitich, an Odessa lawyer and social democrat; Minister of education, M. Pechekomoff, a national socialist.

WILSON IS DETERMINED TO STOP FOOD GAMBLING

(By Associated Press Leased Wire.)

Washington, May 16.—Members of the senate and house agriculture committee today reported to their colleagues that President Wilson is unusually anxious for early passage of legislation to stop speculation in foods and regulate production and distribution. The food situation ranks second only to the army and navy in importance for the war, the president told the committee members at a White House conference last night.

It seemed probable that all food legislation pending in congress would be re-arranged in three administration bills—one providing for a food survey and stimulating production, already under consideration in the senate; another regulating distribution of prices and the third authorizing a system of preferential shipments.

GERMAN GIRL FLYER AVENGES FIANCE'S DEATH

(By Associated Press Leased Wire.)

Geneva, May 16.—A German girl aviator, belonging to a rich family at Constance, whose fiance was killed in the flying corps and was killed in France during the aerial war last November, has taken up his work as aviator and aerial scout. Fraulein L., who is 21 years of age, has the rank of lieutenant in the army, and is an officer and few know her secret.

According to the Konstanz Zeitung, she has been flying over the enemy machines on the Vosges front, and has learned to handle a machine gun in an airplane like a man.

GERMANY PLANNED BASES FOR ITS BOATS OFF U. S.

(By Associated Press Leased Wire.)

San Francisco Cal., May 16.—Many began actual work last fall toward the establishment of submarine bases along the coast of the lower California and Mexico. Military information were gathered along the entire Pacific coast by German secret agents, according to information which federal authorities disclosed tonight had been imparted to them by a youth arrested here a week ago as a spy. The suspect was known here as Lieut. Frank E. Wolf, a real name, the authorities declared tonight is Baron Friedrich "Dick" Feik. He is 22 years old. Feik, it is said, has made a complete collection of his activities.

POLES WANT A KING

(By Associated Press Leased Wire.)

Amsterdam, via London, May 16, 7:55 a. m.—Warsaw telegrams state that the local press is eagerly discussing the question of the necessity of a Polish king. They demand that the question be settled as soon as possible as the state cannot be conducted without either king or regent. The radical press is equally insistent on the declaration of a Polish republic. "Vienna and Berlin are reported to be in a deadlock over the subject."

MOLINE WORKERS GIVEN WAR BONUS WAGE BOOST

(By Associated Press Leased Wire.)

Moline Ill., May 16.—The Moline Plow company today announced a 20 per cent increase in wages to all employees, factory and office, drawing less than \$5000 a year. The increase is a war bonus. Seventeen hundred men here are affected. The order also applies to all auxiliary plants and to branch offices.

BAPTISTS TO CLEVELAND

(By Associated Press Leased Wire.)

Cleveland, May 16.—Three thousand delegates and as many alternates from 28 states will attend the Northern Baptist convention which opens today and continues thru Tuesday. "Vitalizing the local church," is the general topic discussed from various points of view by experts, with sessions devoted to home and foreign missions, young people's work, religious and denominational journalism, church federation, men's work, the rural church, city missions and vacation Bible schools.

Corns Loosen Off With Magic "Gets-It"

2 Drops Do the Work, Painlessly.

"I tell you, before I heard of 'Gets-It' I used to try one thing after another for corns. I still had them. I used bandages and they made my toes hurt more than the corns. I'd cut and dig with knives and scissors, but now no more fooling for me. Two drops of 'Gets-It' did all the work. It makes the corn shrivel and fall off. You can just pick it right off with your fingers."

There has been nothing new discovered for corns since "Gets-It" was born. It's the new way, the common sense, simple, sure way.

"Gets-It" is sold everywhere in a bottle, or sent on receipt of price to E. Lawrence & Co., Chicago, Ill.

Sold in Aurora and recommended as the world's best corn remedy by Grimes' drug store.

ITALIANS ADVANCE IN ISONZO DRIVE

(By Associated Press Leased Wire.)

Important Successes Won in New Offensive Against Austrians, Says War Office.

Powerful Drifts Precede Charge by Infantry—Tentative Resistance Is Feeble.

(By Associated Press Leased Wire.)

Rome, Tuesday, May 16, via Paris, May 16.—Important successes were won by the Italians today in inaugurating their drive on the Isonzo front. The foreign official note in regard to these operations as given out here tonight says:

The offensive action now being developed on the Julian front, which was announced in today's statement, was preceded by vast, intense and methodical artillery preparation. Fire was opened on the morning of May 12 along the whole line from Tolmino to the sea. It was maintained with the morning of May 14 when it was intensified to a powerful drumfire.

During the first part of the bombardment the enemy reacted but feebly. It seemed as though the Austrians had been taken by surprise but their reply was more vigorous on May 13 and extremely violent on the morning of the fourteenth. Austrian batteries then opened a heavy curtain fire, pouring thousands of projectiles on the trenches in the Italian line.

Storm Troops Highlights.

"Undeterred by this tempest of fire the Italian infantry towards noon leaped over the parapets and dashed resolutely forward towards the objectives previously assigned. These positions were almost all difficult ones and some of them hitherto had been regarded as impregnable; such, for instance, as the heights on the left bank of the Isonzo, from Plava to Salicorno pass. The steep slopes, covered with rocks and dotted here and there with thick clumps of brush constituted a formidable obstacle to an infantry advance. Successive lines of trenches prepared months ago above deep caverns, well supplied with defensive and offensive material, were defended by seasoned troops and protected by batteries placed so as to flank attackers with their fire.

Advance Is Continuing.

"Notwithstanding these conditions the Italian infantry advanced and still continues to advance. Valuable positions have been won and prisoners are being taken into our concentration camps.

"Our aviators co-operated with great effect by bold and ceaseless reconnaissance, by skillful regulation of the artillery fire and bombardment of depots and convoys and by brilliant combats with Austrian airplanes."

SENATORS PLANNING TO JOIN THE NAVY

(By Associated Press Leased Wire.)

Washington, May 16.—Several senators and representatives, it was learned today, are planning to enlist as bluejackets in the navy when the present session of congress ends. They will go in for the period of the congress and then determine whether they will resign from congress or get a leave of absence from the naval service during the next session.

To enable members of congress to enlist as private Senator Kenyon of Iowa has offered an amendment to a navy bill in the senate and it was accepted by Senator Swanson in charge of the bill, who said he knew a few members are anxious to do their bit in the war.

YORKVILLE CLUBWOMEN FURNISH FINE PROGRAM

REFORM DEPARTMENT IN CHARGE OF EXERCISES SATURDAY AFTERNOON.

Yorkville, Ill., May 16.—The reform and philanthropy department furnished a fine program at the meeting of the Yorkville Women's club Saturday afternoon. The subject was "The Reformers to American Homes." Mrs. Kate Kennedy and Mrs. Mary Hall read papers that showed careful study and thought in the preparation. Vocal numbers were furnished by Mrs. Helen Grimwood (soprano) and Mrs. Arthur Day. Both women are well known and need no introduction to Yorkville audiences. Their selections were much appreciated. Mrs. Day has a reputation as a violinist of note. The past year she has been a student at the Arcanell School of Opera in Chicago and is planning to give her entire time to public school music. Miss Eva Kagness of Joliet gave two readings in a charming manner that pleased her listeners. The result of the primaries was announced and the following are candidates for election at the next regular meeting of the club: President, Mrs. Ella D. Hill; vice president, Mrs. Austin Hill; secretary, Mrs. C. A. Williams; Mrs. F. W. Ackerson, corresponding secretary; Mrs. B. J. Stumm, recording secretary; Mrs. T. R. Aberton, Miss Elsie Hall; Treasurer, Mrs. L. L. Wall.

Dr. and Mrs. J. K. Gilpatrick spent Sunday with relatives in Plano. Mr. and Mrs. John Cooper are visiting at the William Cooper home in Chicago. Donald Armbruster spent Sunday at Oak Park with Mr. and Mrs. Henry Armbruster. Dr. and Mrs. A. A. McClelland spent Sunday with Mr. and Mrs. E. S. Hanna in Aurora.

County Clerk Edward Budd spent the week end with his mother who is visiting in Ladang. Miss Kathryn Curry from Aurora was a guest over the week end at the home of Miss Elsie Hall.

Mrs. Carrie Knight and son John drove to Downers Grove Sunday and spent the day with Mr. and Mrs. Charles Ide. Mr. and Mrs. Allan Taxis and children from Plano spent Sunday with her parents, Mr. and Mrs. George Normandin. Mrs. William Hagedorn and little granddaughter are spending the week at the Homer Kemp home near New Lenox.

Mrs. and Mrs. Corvill Bissner and the Misses Alice and Marjorie Bissner were guests Sunday at the S. C. Steiner home. Mr. and Mrs. H. D. Coppel were here from Hinckley to spend the week end with his parents, Mr. and Mrs. Henry Chappell.

Mrs. George Kennedy of Maxwell, Iowa, who is visiting relatives in this vicinity spent Wednesday and Thursday with Mrs. Howard Johnston.

Mr. and Mrs. C. Armbruster and Mr. and Mrs. J. M. Hynes drove to Chicago Sunday and spent the day with Mr. and Mrs. Harry Brunch.

Mrs. Herman Brecht entertained the Ladies' Bridge club at her home this afternoon. The housewifery 5 o'clock tea at the close of the afternoon.

Mrs. W. T. Hosen attended the annual reception and banquet given by the students of the Southern Illinois Normal university in Chicago Saturday evening.

There was a family reunion at the home of Mr. and Mrs. Leelle Johnson Sunday in honor of their aunt, Mrs. George Kennedy, who is visiting here from Maxwell, Iowa.

The junior class of the high school tendered the seniors a reception Friday evening. The party was held at the town hall and a delightful time was enjoyed by all present.

The church supper given by the Baptist women at the home of Mr. and Mrs. Clarence Beecher, Friday evening was a very successful affair, the women clearing a neat sum for their church fund.

Mr. and Mrs. J. J. Jeter went to Ashton Thursday to visit their son and wife.

LADY MINSTRELS FOR RED CROSS

Initial Performance of Elaborately Arranged War Benefit Tonight at Fox.

CITY'S PRETTIEST GIRLS

The Lady Minstrels, given for the benefit of the Aurora Red Cross will have its initial performance this evening at the Fox theater. The performance is to be repeated Thursday and Friday evenings. The elaborately arranged benefit is under the direction of E. W. McClave.

The dress rehearsal last evening, held at the theater, went so well that the more superstitious among the members of the cast are awaiting with interest this evening's performance. The costumes brought out from Chicago by Mr. McClave are decidedly natty and charming, with all the minstrel atmosphere of knickerbockers, chic little coats, silk hose and low shoes.

Orchestral scores for the topical songs and choruses were brought out also by the director, and all is set for a first class show. Much assistance has been given by "Chub" Hill, who has had previous experience in connection with the Bachelor club minstrel show, and who, it is said, will aid in giving a professional touch to the blackface make-up in the circle.

City's Prettiest Girls Secured. It is only necessary to refer to the program to be convinced that some of the well known and very pretty girls of the city are in this show, all of whom are kindly donating services to swell the Red Cross fund, as are those who are aiding in making the program a success. The scenic effect is extremely good, tickets are going well as was evidenced by the reserved seat result at the theater this morning, and at 8:15 the curtain will rise on Aurora's Lady Minstrels.

The Program. The following is the program:

Interlocutor—Miss Florence Henry. Songs—Miss Leroy Strong, Miss Elvarena Gannon, Miss Francis Coleman. Tumbos—Miss Helen Manning, Miss Ruth Ebling, Miss Marvel Morlock. Solists—Miss Agatha Adams, Miss Gladys Jennings, Miss Hazel Jones, Mrs. Fletcher Royston. Circle—Mrs. Harry Ekehorn, Mrs. Myrtle Stone, Miss Mae Atkins, Miss Elsie Pittsborough, Miss Viola Harton, Miss Katherine Callan, Miss Elsie Haent, Miss Velma Hartway, Miss Lou Erick, Miss Marie Kelley, Miss Agnes Kirby. Assisted by the Bachelor club. Scopolian male quartet. Gilbert & Applequist. St. Cecilia quartet. Piano solo—Rachel Hayward. Hawaiian dance—Charlotte Rubens. Just a few songs—Dorothy Bernau. Butterfly dance—Geraldine Chapman. Song—Mrs. Fletcher Royston. Song "Spring Awakening"—Elsa Haent. Sketch, "A Laborious Tex"—Agatha Adams. Songs, selected—Agatha Adams. Preparedness—Red Cross nurses, soldiers and citizens by the entire company.

1ST METHODIST EPWORTH LEAGUE NAMES OFFICERS

The members of the First Methodist Epworth league held a business meeting and social in the church parlors last evening. Plans for the summer's work were discussed. It was decided to hold a contest to end in a picnic given by the losing side to the winners. An entertainment was also planned for the near future to help raise the money which the league has pledged towards improvement of the church. Officers for the coming year were elected as follows:

President—Selvin Hill. First vice president—Elen Wires. Second vice president—Bessie Reynolds. Third vice president—Bertha Hosken. Fourth vice president—Ruth Ebling. Secretary—Helen Matter. Treasurer—Alfred Watson.

It was also decided that a number should attend the convention which is to be held at Batavia Friday, Saturday and Sunday of this week. After the business session games were played and light refreshments served.

Marriage Licenses—Marriage licenses issued today by County Clerk Charles Lowry at Geneva were as follows: Edward Scott and Rose Miner, both of Kaneville; J. D. Burdett, age 35, Aurora, and Maude Duncan, 18, of Joliet.

AURORA RACE MEET DATES ANNOUNCED FOR JULY 17-20

Aurora will have harness horse races this year. The racing dates will be July 17-20. A new association has been organized consisting of Everett Beckwith, Aid, C. M. Weese, J. M. By and Emil Schwann. They will conduct the race meeting this year. The old association in charge for a quarter of a century has retired and the four men mentioned have agreed to take over the affairs. Everett Beckwith said today: "Aurora is the best racing town in the country and we couldn't afford to miss even one year." It is planned to get Mendota, Ottawa and Streator to hold meets this year. Messrs. Beckwith and Schwann are conferring with the owners of these towns.

FEAR AGED WOMAN DYING FROM BURNS

Miss Susan Long, Eighty-two, Found Unconscious With Clothing on Fire.

Miss Susan Long, 82 years old, of Geneva, was so badly burned about the body below the neck by flames from a gas stove in her home which ignited her clothing late yesterday that it was feared she could not survive the day, today.

Miss Long was helpless when the flames spread over her clothing and she would have met death yesterday had not a woman friend called at the house.

The woman saw Miss Long enveloped in flames, extinguished the fire and summoned Dr. F. M. Marsteller. Miss Long was unconscious when the doctor arrived.

Her death was expected hourly when an inquiry was made at her home this afternoon. She resides at Second and Hamilton streets.

HOUSEHOLDER-TASKE

Miss Alice Taske, daughter of Herman Taske of North Aurora and Glen Householder of Ansonia, Ohio, were quietly married yesterday afternoon at 4 o'clock at the residence of the Rev. A. H. Heaps. The ring of service was used. The bride wore a gown of white crepe de chine and a Georgette crepe, with a picture hat of white, trimmed with white roses. Her shower bouquet was of bride roses. She was attended by her cousin, Miss Margaret Flynn, of Downers Grove, wearing white voile and carrying a white carnations. Her brother, Charles Taske, was the best man.

Later a dinner was served at the home of the bride's father, to the relatives and friends, the table decorations having been in bride roses and white carnations. The cut glass used was that used at the wedding of the bride's grandmother in England, the cake stand having graced the bride's table of the bride's parents. Miss Angela Swigard sang "O Promise Me" and "The End of a Perfect Day." Among the out of town guests were Misses Minnie Householder of Chicago, sisters of the groom; Mrs. Elizabeth and son, John, and Miss Margaret Flynn of Downers Grove; H. N. Patterson of Batavia, Mr. and Mrs. Jacob Backus and Mr. and Mrs. John Swigard and family of North Aurora. The young people will make their home with the bride's father, for whom the bride has been housekeeper for the past six years. The groom is associated with the Mid-West Brass Foundry company.

The LIGHT in the CLEARING

By IRVING BACHELLER Author of Eben Holden

Plot It is worth any amount of time and effort to make a book so lofty in inspiration, so deft in the construction of its plot, and so finished and polished in its style. —New York Sun

Characterization To have drawn the three leading characters in *The Light in the Clearing* with such vital and compelling truth is an achievement worthy of immortality. —New York Tribune

Charm There is charm in every page of *The Light in the Clearing*; the charm of honesty, the charm of ruggedness, the charm of right thinking, the charm of self-sacrifice, the charm of real human nature, and the charm of romance. There is also no little charm in the period. —Phila. Press

Appeal One loves every page in the reading of *The Light in the Clearing*, and is jealous and regretful to see them slipping away so rapidly. —Union Observer

LABOR IS DEFEATED
IN STATE ASSEMBLY

By Associated Press. (Special Wire.)
Springfield, Ill., May 15.—Labor lost
its principal battle in the fifteenth
Illinois general assembly today when
the bill to limit power of courts to
suspend in strikes failed of passage.
It received only 73 votes,
less than a constitutional majority
of 81, cast against it.

Defeat followed acrimonious debate
springing Representative Tuttle,
Harrisburg, who introduced the
bill, and Representative Bruce of
Chicago attacked judges of the state
for usurpation of power.

Representative Tuttle centered his
attacks on Judge Baldwin of Cook
county, and Representative Bruce on
Judge Jesse Holden, to such an extent
that Representatives Thon and
Meber made personal defenses of the
judges attacked.

Opponents of the bill, including
Representatives Lyle, Thomas, E. Ly-
on, Caviesel, McDavid and Shurtliff
declared this was no time to curb the
power of the courts.

"Our liberties, perhaps the liberties
of the entire world may depend on
the power of our courts to keep our
citizens running during this war,"
said Representative Lyon.

Although the vote on the measure was
not strictly by party alignment, a
majority of those favoring it were
Democrats.

Purpose of Bill.
The bill, backed by the state fed-
eration of labor, proposed that no
injunction or restraining order should
be issued by any court of this state
in labor disputes unless necessary to
prevent irreparable injury to property
and unless there is no other adequate
remedy at law for such injury.

It further proposed that no injunction
shall prohibit any person or persons
from striking or from persuading
others to strike, or from establishing
a boycott, and it is specified that
nothing contained in the anti-trust
laws of the state shall forbid the
operation of labor unions nor shall
such organizations be considered il-
legal combinations in restraint of
trade.

The history of labor trouble has
been such that judges disregard
rights of free speech and of liberty,"
said Rep. Oral P. Tuttle, of Harris-
burg, author of the bill. "It is high
time to stop them."

"Judges have displayed greater pow-
er in labor disputes than the ear of
beasts ever had," said Representative
Bunker of Rock Island.

keeps teeth clean AND GUMS HEALTHY.

Keeping the gums healthy and the mouth sweet is very important to health; more teeth are lost through the loosening of the tissue that holds the teeth in place than from decay.

Dental science to-day demands that a tooth paste must keep the gums healthy as well as clean the teeth.

Senreco was formulated to meet this requirement. Hundreds of dentists are prescribing and using Senreco because they have found that it does measure up to that standard.

SENRECO IS A WONDERFUL CLEANSER.

In addition to its remedial properties Senreco is a wonderful cleanser; acts directly on the mucin film, the basis of tartar; leaves the mouth cool and clean-feeling. As some one has expressed it—Senreco gives one a new idea on mouth cleanliness.

Get a tube to-day at your druggist or toilet counter—enjoy the healthy, cleanly feeling it uses gives your mouth and gums. Notice how brilliantly white Senreco makes your teeth. It performs this two-fold service for you and yet costs no more than the ordinary, old-fashioned tooth paste that simply cleans the teeth and leaves a pleasant taste—35 cents for a large 2 ounce tube.

REGISTRARS VOLUNTEER

Persons volunteering to act without compensation as registrars under the selective draft bill were requested today to communicate direct with the chief of the department at Washington. The department at Washington has been flooded with such volunteer offers which in each case have to be referred back to local authorities.

The statement announced that the pay of registrars not volunteering would be \$1 a day, but that compensation for the registration day only would be allowed.

Slackers who seek to evade registration for the war army on the day to be set by President Wilson, can be detected easily. Another department statement today explains that lists of persons registered will be posted and all citizens who know of evasions are expected to report them.

News in Brief

Woodman's Memorial—Plans for a Memorial day service, on July 3, will be discussed at a meeting of the Modern Woodmen of America, No. 44, this evening. There will also be reports from the delegates who attended the state convention.

Keating's Plane Spoke—Senator Harold C. Keating of Aurora Tuesday night addressed the Marmach club at Platte on aviation. A record gathering of 100 was present at the meeting which marked the seventeenth year of the club's existence. A sumptuous banquet was followed by short talks. Dr. A. B. Lord of Platte presided over the affair.

Drop Altringer-Hendricks Case.—The assault and battery case between the former constable Jacob Hendricks by N. J. Altringer, who was to be tried this morning before Justice of the Peace W. C. Heise, was dismissed for the want of prosecution. Altringer, the plaintiff, who claimed that Hendricks knocked the teeth out of his jaw, did not appear in court.

Beef "Alamode" Dinner—At Bishop cafe Thursday, 35 cents.

His First Wedding—Justice W. C. Heise performed his first marriage ceremony yesterday afternoon in his court room when he united in wedding Jack Burdett, aged 24, and Miss Mildred Duncan, aged 18, of Joliet. Both are colored. George Scott acted as a witness. The happy event was not without its fluff of madness. While the justice was considering what fee he would ask for the service he had rendered, the bride exclaimed that he was short of money just then, but "would pay later." Whereupon the books were closed and all in the court room filed out quietly.

Dance—Saturday night, Zouave hall, \$5.00 in gold given away free.

Superior Street Roof Fire—The fire department was called out to quell another fire yesterday afternoon when the roof on the residence of Louis Capua, 118 Superior street, was found to be blazing. Fire company No. 4 answered the alarm and extinguished the blaze with a small loss. The fire is thought to have started by sparks from a chimney.

URGES TRAINING IN SALESMANSHIP

Service, Right Merchandise and Right Kind of Sellers Best Business Foundation.

H. R. JUNKINS SPEAKS

Corset Company Sales Manager in Valuable Address Before the Admen's Club.

"The true test of salesmanship is not in the volume of sales; nor the amount of profit, but the kind of service. The store that gives the highest degree of service will make the most money," Harry R. Junkins, sales manager for the International Corset company said in speaking before the recent gathering of Aurora Admen's club. His subject was: "Training Sales Persons."

"Service, the right merchandise and the right persons to do the selling, is the foundation. The problem is to get the right person. Although they can be trained, native shrewdness is a chief quality. Winning personality will sell goods. The salesperson who is always on the job will outstrip the college graduate. All things being equal."

"The advertising man for a retail store or for a factory must be more than a copy writer. He must be a counsellor. It takes more than copy writing to boost sales. An important factor needed to make stores a success is in keeping the stores clean and neat."

Must Instruct Clerks.

"What can be done to increase sales? A proper kind of selling force is necessary! Stores should have schools where the selling persons can get training on the merchandise carried and how to dispose of the goods. The clerks must be instructed in the routine work of the store; as to the different kinds of merchandise handled, and in being efficient."

"There is a difference between training and education. Education is where the person stops in school. The successful stores are training their clerks and are educating them. They educate them with teachers who give them courses they didn't get in school. The schools do great good. Some-

times it is Tommyrot to have these schools. They say if a girl is a good salesperson, she is good and that is all there is to it. The successful stores run by successful merchants would not keep the schools if they were not a success.

"It is admitted that there are some sales persons in stores who shoplifting are there. The scientific selection of sales persons is another subject."

Make Their Work Pleasant.

"Make the work pleasant for the sales persons and they will stay in your store. It's a great thing when merchants can say 'My employees like me and like my store.' I know a merchant who said he would give \$5,000 if he knew his clerks like him."

"The girls need physical culture as well as mental culture. Install a gymnasium and encourage your girls to exercise."

"I took charge of a corset business and the revenue at the time was \$5,000 a year. We had two sales persons. I employed others, and learned that the two persons I had wouldn't help the new clerks. I started a school for the new ones and in 10 years the business increased so that the sales amounted to more than \$1,000,000. The sales will total \$2,000,000 for the year ending this month. The sales persons were educated and they in turn educated the store sales persons."

"Manufacturers and retailers complain that they cannot get sales persons but that they can get plenty of order takers. Sales persons must be carefully selected and trained. They must understand the policy of the business and must be taught the art of salesmanship. Some of the qualifications of the art of selling are: alertness, cheerfulness, courage, determination, dispatch, earnestness, enthusiasm, health, energy, industry, honesty; knowledge and cleanliness."

Ad Wytter Cannot Work Alone.

"The advertising writer cannot be there. He knows nothing about selling. And the sales persons know nothing about advertising. The sales persons in charge of departments and the advertising writer must cooperate. The advertising writer must put into his ads the talks that the sales persons make when they are selling goods."

"Correct English, grammatical language, and the matter of appearance are most important and necessary."

"No amount of education will make up for lack of selling ability and common sense."

"Employers must be interested in their employees to get the best from them."

LOCAL SCHOOLS
MEET SATURDAY

East and West High Athletics
Clash In Track and Field
Events at Driving Park.

INTEREST AT HIGH PITCH

Aurora will stage a little war all of its own next Saturday afternoon at the Driving Park when the athletes of East and West High schools clash in the annual track and field meet. The first event will start at 1:30 o'clock.

The athletes in the two schools this spring are the best the schools have had in years. In several of the events great rivalry exists between the boys and keen competition is looked for next Saturday.

In the distance run, the mile and half-mile, the meet will bring together three of the best prep runners in the west. Morley and McInnis are in the mile, and are big rivals. The former, representing East High, won the event at both the Belmont and Lake Forest interschools. McInnis, the West High star, did not compete in either of the meets but is sure to start Saturday.

The mile run will be one of the big features of the meet. McInnis and Morley have been beaten since the 1915 meet in which the East High star won the event.

Richie Rees, East High's wonderful half-miler, will start in both the half-mile and the quarter-mile. He won the event at Belmont and Lake Forest. He also will probably be opposed by McInnis, the West High star. Rees will also start in the 440-yard dash and will have stiff opposition in Sullivan, the Red and Blue star. The latter will also be a big factor in the sprint.

Corwin of East High seems to be the best bet in the hurdles and will have a good team in Pauly Rees, the sprinter.

Jack Crane, the young West High giant, seems to have the shot put all his own way as he is good for a heave of at least 40 feet. Long of West High, looks the best hammer thrower, while Organ, also of West High, is a star in the pole vault. The meet promises to be close, with West High making up in the field events for whatever it loses on the track.

SPRING FOOTBALL IS
PLANNED AT EAST HIGH

Coach Mead of East High announced today that he will take a number of the candidates for the 1917 football eleven out for spring practice this week after next. The entire eleven will not be called out. The backfield men and the ends will probably be the only ones out thru the spring practice. They will be tutored in throwing and handling forward passes.

Coach Mead will have the eleven work to develop a punter to take the place of "Darth Rees" O'Grady.

HARD TO FIGURE
BASEBALL RACES

(By Associated Press Local Wire.)
New York, May 15.—A number of marked changes in the standing of the major league clubs at the end of the month of April, as compared with the rating of a year ago, are shown by a comparison of the standing of the leagues on May 1, for the past and present seasons. In the National league a year ago the Philadelphia club won the pennant, with Brooklyn second and Chicago third. Of the trio only Chicago has held its place for Philadelphia was fourth and Brooklyn last at the beginning of the present month.

Twelve months ago Boston was fourth, St. Louis fifth and Cincinnati sixth in the senior league flag race. This season Boston was fourth, St. Louis second, while Cincinnati still held fifth place. Pittsburgh failed to improve her position, being seventh, but New York, instead of being last, led the league.

Washington was out in front in the Johnson circuit last year but was last on May 1 this season. Detroit, Boston and Cleveland were all tied for second place in 1916. The race 12 months later showed Boston leading, Detroit seventh and Cleveland fifth. New York was fifth and Chicago sixth last season and both improved their rating this spring being third and second respectively in the 1917 drive. Philadelphia, sixth in this year's struggle, was last in 1916, and St. Louis held fourth place a few days ago while the standing of last season showed the club holding seventh place.

As a result it can be seen that of the four eastern clubs the New York Nationals is the only combination to improve its standing, going from last to first place, while the four western teams have either held their own or bettered their positions over those of the past year. In the American league three of the four eastern clubs have gained in standing, while Chicago is the only one of the western teams to show an improvement over the play of the first three weeks of the previous season. The standing of the 16 clubs for both the past and present campaign follows:

Stengel Gets Homer
Brooklyn, N. Y., May 15.—Brooklyn jumped on Schneider in the fifth inning and five runs and won 5 to 1, after having lost seven straight. Stengel hit a home run with two on base in the fifth inning.

Roush's miff of Deubert's fly in the fifth wind had kept Cincinnati from reaching the side.

Director of Athletics St. John of Ohio university, Columbus, Ohio, announced last night that athletics will be continued at Ohio State as long as there are "mild" men in school. Ohio and Illinois will play a western conference baseball game Saturday and the "six six" track meet will be held at the Ohio State track.

Carl Blackburn, catcher, has been released by the Chicago Nationals of the Toronto club of the International league.

MORE ENLISTMENTS

JOE BENZ BLANKS
THE MACKMEN 11-0

Butcher Boy Has Easy Time
Winning Second Game of
Series From Tailenders

Here's Hit Past Face and Giv
Hits Off of the Philadelphia
Twirlers.

Rowland's White Sox emerged from their protracted attack of hitting coma yesterday and celebrated the recovery by blanking a couple of Connie Mack's pitchers as they never have been blanked before. Fifteen blows were clocked up by Joe Benz, who was backed up by a campaign of hits by Chicagoans and, meanwhile, Phil Benz held the Athletics under the thumb.

The score, according to latest count, was 11 to 0, giving the south siders their fourth straight victory.

The Sox had the game won almost before it had started. Mack requested them to take a look at Ellis Johnson, since a wearer of white, hooley, and Johnson looked so good that five men moved out of the first inning. They continued to handle him roughly in the second and third. Myers was rushed forth to quell the uprising. Elmer didn't do much better, but he stuck to the finish and seemed to like it.

Score by innings:

AUSTRALIA SENDS OVER
ANOTHER MIDDLEWEIGHT

Mick King, the latest arrival from Australia, looks and acts like a fighter. Mick has the same pleasing personality that won so many friends for Laddie, Darcy when he landed here, and they say that Mick can fight like a wildcat when he wants to.

King was the middleweight champion of Australia until he met Darcy. Then the title passed into the hands of the Mattie boy for the police stopped the bout before the tenth round, when Darcy had King's eyes closed and was living him an unmerciful beating in his own corner.

But, despite this fact, King and Darcy are very friendly, and they are planning to do much of their training together. King is not the least bit puffed up about himself, or inclined to brag about what he can do.

He says that he will be more than willing to start at the bottom of the ladder and work up to a bout for the title. Darcy defeats all American entrants for the middleweight crown, King will look forward to a match with him.

The newcomer is said to be one of the cleverest boxers in the middleweight class and a willing scrapper from going to go.

**BURLINGTON TEAM LOSES
TO THE PRESBYTERIANS**
Heavy hitting featured the drubbing of the Burlington indoor baseball team by the First Presbyterians in the church gymnasium last night, 16-2.

Pitchers were placed upon the firing line as often as soldiers in the trenches and fared about as well, before the onslaught of hits. The game was the deciding one of three, giving the Presbyterians the team edge on the series.

Assistant Physical Director Irwin of the Y. M. C. A. umpired.
The lineup:
C. B. and Q.—Jackson, P. Maxwell, C. Ford, 1b; Hulla, 2b; Simcock, 3b; Rheenan, 1b; Mackie, 2b; Young, 1b; Violet, rf.

MITCHELL IS
MAKING GOOD

Manager of Cubs Takes Make-
shift Team and Now Has
Them in First Place.

CALLAHAN HAS BIG JOB

(By Jack Velock.)
New York, May 15.—Gelling results from a poor ball club left behind is far from an easy task.

For this reason the average manager who steps into the boots of a retiring pilot sets about to build up his own machine, and there are three instances of this kind in the National league today—Joe Callahan, Fred Mitchell and Jimmie Callahan.

When Fred Mitchell took hold of the reins at Chicago he said he believed he had the nucleus for a winner. He took a squad of some 40 players to the coast this spring and wended out the ones who looked best, but for all of that, the talent he inherited was practically all mixed up before he became manager. That Mitchell will make a better showing with the Cubs than did his predecessor, Joe Tinker, is the general belief, yet within a season or two the club he inherited this year will have passed, and new players will be holding down most of the regular positions. Mitchell had to take the Cubs as they stood and today they are in first place and the sensation of the year.

Christy Mathewson stepped into the managerial shoes at Cincinnati to rebuild a loser, but had the Reds been a much stronger ball club than they were when Mattie took hold, he would not doubt have made changes. In Kopf, Roush, Cusick and Shean, four players of Mattie's choosing are to be found. Other newcomers are bound to follow until he has a team of his own building.

Jimmy Callahan took the Pirates that Fred Clark had been trying to mold into a winner for three seasons and found the job impossible. He got rid of Von Gibson, Harmon, Adams, Johnston, Gerber, Barney, Costello and Conselman. Kautsky might have stuck had he not been ill advised, but Callahan refused to parley with him. The retirement of Hans Vagner was regretted by Callahan, for Hans was a player any manager could depend upon to do his best in every game.

Jack Barry, the only new manager in the American league, fell half to the world's champions. That he should be saddled with the layout goes without saying, and on top of this he was a member of the team and well liked among the players.

Ball players are no different than men in many other lines of employment. Take an office force, where a new "boss" steps in. It is seldom that the new "boss" can pull with every man he finds there, and they will not all pull with him. It takes co-operation and harmony to run any business, and the baseball line is no exception to the rule. This is one reason why new baseball managers often make many changes in their club.

The baseball player must have his own organization to get the best results.

CATARRH IS
NOT INCURABLE

But You Can't Rely on
Sprays and Inhalers

There is no use permitting yourself to be deceived. Perhaps like thousands of others afflicted with Catarrh, you are about ready to believe that this disease is incurable, and that you are doomed to spend the remainder of your days hawking and spitting, with no relief in sight from inflamed and stop-ped-up air passages that make the days miserable and the nights sleepless.

Of course this all depends upon whether or not you are willing to continue the old-time, make-shift methods of treatment that you and many other sufferers have used for years with no substantial results. If you are still content to depend upon the use of sprays, douches, inhalers, and other like remedies by themselves, that are applied to the surface and cannot reach below it, then make up your mind now that your Catarrh will remain a life companion and will follow you to the grave.

You must realize that the disease itself, and not its symptoms, is what you have to cure. Of course you know that when you are cured of any disease its symptoms will disappear. Catarrh manifests itself by inflammation of the delicate membranes of the nose and air passages, which choke up and make breathing very difficult. To get rid of these distressing effects you must remove their cause.

Mrs. M. S. Wasserman, of 409 Clark street, St. Charles, Mo., tells of her experience in the following words:

"I suffered for a long time with a case of Catarrh, which kept my nose stopped up and made me cough incessantly. Sprays and douches did me no good—in fact, doctors told me I was incurable. I read one of your advertisements and wrote to your medical department and wrote to the section of your physician I took an interest in. I was completely cured. I am now a healthy, happy woman, and am able to do my work as usual. I am greatly indebted to everyone afflicted with Catarrh."

The experience of Mrs. Wasserman was like that of thousands of others who have tried local remedies in vain. She claims that she was finally cured by S. S. S. because she realized that Catarrh is a blood disease, and the only sensible treatment is through the blood. The blood is laden with the Catarrh germs, which direct their attack against the tender and delicate membranes of the nose and throat. These germs cannot be reached by sprays or douches, which, of course, have no effect whatever upon the blood.

S. S. S. is a purely vegetable blood remedy, made from roots and herbs direct from the forest, which combat promptly any disease germs or impurities in the blood. This great remedy has been used for more than fifty years with most satisfactory results. It has been successfully used by those afflicted with even the severest cases of Catarrh, because it drives out from the blood the Catarrh germs, and eliminates every foreign substance from the blood. S. S. S. is sold by druggists everywhere.

For the benefit of those afflicted with Catarrh or other blood diseases, we maintain a medical department in charge of a specialist skilled in these diseases. If you will write us fully, we will give you a careful study, and write you just what you need. No charge is made for this service. FIVE SCHOOLS IN FAVOR
OF A CONFERENCE MEET

The first annual track and field meet of the Northern Illinois High School conference will be held here one week from Saturday unless present plans are changed. Coach Mead of the High school of Aurora said today, Rockford and Joliet are the only schools in the conference opposing the meet.

Track teams at both Rockford and Joliet were disbanded several weeks ago and the athletic board of the former school suggested that the conference meet be called off. The two Aurora schools, Elgin, DeKalb and Peoria were in favor of holding the event.

If the board of control of the conference does not meet in the meantime and call off the meeting will be held from next Saturday at the Driving Park.

TIGERS AND SOUTH ENDS
IN FIRST GAME SUNDAY

The Tigers and South Ends will battle on the North and East avenues grounds Sunday afternoon in the first game of the season between the two teams. Meyer or Reese will be on the firing line for the Tigers with Crook on the receiving end. McInnis and Phillips, last year with the Aurora south end club, will be the South End battery. The Tigers are going at a fast clip and will give the former city champs a hard battle. The game will be called at 2:15 o'clock.

PLAN WEEKLY TOURNEY
AT SYLVANDELL ALLEYS

At the opening of the individual tournament at the Sylvandell alleys this afternoon a movement was started for a weekly meet to be held every Wednesday afternoon and evening during the bowling season. The entry list for today's event was larger than was expected.

Entries for the individual tourneys can be made any time. Bowlers wishing to compete can do so by registering at the alleys tonight. The prize list is to be so arranged that \$10 will pay.

EVERS NOT EXCITED

Boston, Mass., May 15.—Johnny Evers is helping the Braves all he can by coaching during the game, but yesterday he broke down under the strain. In the eighth inning after Vaughn fanned Ketchum on four pitched balls John threw under his hands, turned to the press stand and called to a friend: "Hey, Eddie, what time does that fight start tonight? I'll meet you at the ring-side." The doctor told Johnny not to get excited over baseball, so he quit.

In many other lines of employment. Take an office force, where a new "boss" steps in. It is seldom that the new "boss" can pull with every man he finds there, and they will not all pull with him. It takes co-operation and harmony to run any business, and the baseball line is no exception to the rule. This is one reason why new baseball managers often make many changes in their club.

CUBS WIN EIGHTH
STRAIGHT GAME 8-1

Boston Braves Are Victims of
the Cubs in Their Mad
Race For Lead.

Mitchell's Men Have Easy Time Win-
ning Second Game of the
Series.

Arthur Coombs, left fielder, re-appeared in the Cubs' lineup yesterday. The new pitcher was used in the eighth inning and the Cubs won 8 to 1. It marked the eighth successive win for the Cubs. The new pitcher was used in the eighth inning and the Cubs won 8 to 1. It marked the eighth successive win for the Cubs.

It was but natural the Braves should lose. They are not going very good and Hippo Vaughn was hurling in his best. The Braves committed several errors and the Cubs won 8 to 1. It marked the eighth successive win for the Cubs.

Frederick developed a fondness for Tyler and nicked three hits, one of which was a double. Cy Williams and Hippo each got one single and a double and the Braves committed sundry bun plays that helped the show along.

WAR EXPERIENCE HAS
NOT HELPED CARPENTIER

George Carpentier, the French star, has been serving his country as an aviator almost continuously since the outbreak of the war, and during that time he has covered himself with glory fighting for France.

But George has not been fighting in the ring, and in the nervous business of taking part in aerial battles he has become addicted to the cigar. It is said that Carpentier smokes so many cigars that his wind has been impaired, and that only recently, in a short bout against Jean Blot, a boxer of the build of Al Palser, he became so winded that he was blowing like a bellows at the end of four rounds.

The pair boxed for the benefit of the family left by George Bernard, the French middleweight champion, who was killed in action.

If this report regarding Carpentier is true, he has probably gone back considerably since he abandoned the ring for an armored airplane, and even then he might be given plenty of time to train, he might still find himself unable to get into the same condition he enjoyed when he took up his place with the brave sons of France at the front.

Talk of matching Carpentier with Jess Willard has not received much favorable comment on this side of the pond. Such a match looks like a freak, to begin with, for the difference in height and weight in the two men is altogether out of proportion, and it appears to the fair-minded boxing critic that it would be a crime against the boxing game to bring them together.

A woman's last word has never been said yet.

EAST HIGH SCHEDULES
GAME WITH GALESBURG

Athletic Director Davis of East High school has scheduled a football game with Galesburg High for next season. The game will in all probability be played at Galesburg. The date has not been selected.

Galesburg was one of the leading contenders for the state championship last season. The school did not play the local teams.

In addition to the regular northern Illinois conference schedule East High will also play LaGrange High.

Barthelme, star twirler of the Waukegan club last season, will be on the rubber for the Magnets here Sunday. Sirmel, veteran Gunther twirler, was released yesterday when the signature of Coes was secured. The latter was one of the best semi-pro twirlers in the west last season.

Johnny Dundee of New York won a referee's decision in a 15-round bout with "Chick" Simms, Granston, Pa., at Boston. They are lightweights.

Jack Noss, White Sox first baseman last season, will lead the Magnets of the Chicago City league against Aurora at Fox River park next Sunday afternoon. He has been with the Chicago league team since the season opened, having quit the Sox when his minor league was reduced. The Magnets are paying Noss \$18 a game.

On the south side in Chicago last season Noss was a big favorite with the Sox fans. He hit .367 in 75 games for the Sox and played a sparkling game on first base.

Miller's Antiseptic Oil Known as

Snake Oil

Accomplishing Most Wonderful Results.

I want to thank you for your wonderful states. Mr. J. G. Gibson, of Jonesboro, Ark., my little girl was very low with diphtheria. I had given her two doses of medicine which cost me \$10 with no result. I bought a bottle of your oil and one application relieved her. Now she is well. It is the greatest remedy I ever saw. Mr. Gibson made this statement before hundreds of people. Mrs. Florence Meager, 214 Whitney street, Hartford, Conn., writes: "I have used your Antiseptic Oil for rheumatism, stiff joints, also for sore throat, and I want to say that it is the greatest remedy I ever tried. I recommend it to all sufferers. Many cures reported daily from thousands of grateful users of this wonderful Oil. Every bottle guaranteed \$5.00. \$1.00 bottle or money, refunded. P. O. Harris Drug Co."

WHEN you feel more like play than work, but must stay with the job.

Use Coconut Oil For Washing Hair

If you want to keep your hair in good condition, be careful what you wash it with. Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and is very harmful. Just the plain, mild coconut oil (which is pure and entirely greaseless) is much better than the most expensive soap or anything else you can use for shampooing, as this can possibly injure the hair.

Simply moisten your hair with water and rub it in. One or two teaspoonfuls will make an abundance of rich, creamy lather, and cleanses the hair and scalp thoroughly. The lather rinses out easily, and removes every particle of dust, dirt, dandruff, and excessive oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy and easy to manage.

You can get multifold coconut oil at most any drug store. It is very cheap, and a few ounces is enough to last everyone in the family for months.

THOSE AWFUL CRAMPS

Suggestions that may save Much Suffering

Marysville, Pa.—"For twelve years I suffered with terrible cramps. I would have to stay in bed several days every month. I tried all kinds of remedies and was treated by doctors but my trouble continued until one day I read about Lydia E. Pinkham's Vegetable Compound and what it had done for others. I tried it and now I am never troubled with cramps and headaches. I feel like a different woman. I cannot praise Lydia E. Pinkham's Vegetable Compound too highly and I am recommending it to my friends who suffer as I did."—Mrs. George R. Naylor, Box 72, Marysville, Pa.

Young women who are troubled with painful and irregular periods, backache, headache, dragging-down sensations, fainting spells or indigestion should take Lydia E. Pinkham's Vegetable Compound. Thousands have been restored to health by this root and herb remedy.

WAR WILL CONTINUE TWO YEARS, BELIEF

Congressman Copley Sees Long Hard Struggle Ahead of Allies—Need Big Armies.

World's leading Roosevelt, Mr. Copley, said that the war will continue for two years to come, in the opinion of Congressmen I. C. Copley, who was at a business visit.

Must Raise Big Armies. "It will be 2 years and a half, he believes, before the man power of the United States will be an overwhelmingly effective force in Europe. Germany, he favors a program of raising armies at the following rate: A million men the first year, 2,000,000 the second, 3,000,000 the third and so on.

"The sooner we do this," he says, "the less will be the bloodshed and the expense."

He is in favor of sending Col. Theodore Roosevelt to Europe with a division as the earliest possible moment, declaring it to be the most tremendous moral and political move this country could make at the present time.

Moral Effect Inestimable. "The moral power of this proposed Roosevelt expedition," he said, "is slight," but the moral and political effect of a former president, this man of dynamic personality, who was commander-in-chief of the army and navy for 7 1/2 years, and who is known the world over as one of the most peace-loving men in the world, taking his post in the trenches beside his fellow soldiers on the side of democracy, cannot be overestimated. It will buoy up the French and English and will depress the Germans in a corresponding degree.

There are won as often by political moves as by strategic ones. Successful diplomacy is worth nine times as much as shrapnel."

Congressman Copley believes that the submarine is under control. He believes that even if Russia were not in the struggle and the United States had not entered with its allies, Germany could not win in such a situation. In his opinion, the result would be a draw and the result would be the worst thing that could happen to the world. Both sides, he says, would immediately begin preparations to renew the conflict in 10 or 15 years.

When War Will End. "As soon as Germany has been demoralized," he says, "the war will end. I stand earnestly for President Wilson's declaration that the United States seeks no aggrandizement, no gains and no indemnities, but will continue the war until Prussian autocracy is wiped out. The resources of the United States, both human and material, exceed the combined resources of Germany and Austria. The United States is going in for the side of nations which have succeeded in holding Germany. The German soldiers are worn and weary. The fate of Prussian autocracy is sealed."

TALK OF NEW SYSTEM FOR PARKING OF AUTOS

A revision of the system of parking automobiles in the downtown district of Aurora is being considered by motorists, because of the great congestion in downtown streets.

Merchants are objecting to keeping the machines off the streets, claiming that such action gives the streets a "dead" appearance.

It is believed that some new system may be evolved, so that there will be less congestion without inconveniencing the motorists.

Mayor J. E. Harley said today: "We want to do what is best for the city, and we want to see that the motorists are treated fairly."

KOMES-BERSCHIED

Miss Mayme Berschied and Harry Komes, son of former Mayor Adam Komes, were married this morning at 9 o'clock in St. Nicholas church by the Rev. Father Weber, in the presence of 250 relatives and friends.

The bride wore a handsome gown of white crepe and carried a bouquet of white roses and sweet peas. Her bridesmaid, Miss Catherine Rogan, wore white crepe de chine and carried yellow Killarney roses.

Following the ceremony a reception was held at the home of the bride. Twenty-five of the immediate relatives of the bride and groom were present. A wedding breakfast was served at 12 o'clock. The decorations of the home were carried out in yellow and white.

Ma. and Mrs. Buckley will be at home after June 1 at 446 Superior street.

The groom is employed as a foreman at the American Well works.

THROWING ROCK CASE

A. A. Young, the motorman on the Yorkville car at whom Ray Parkhurst, a young farmer of Oswego, threw a rock last Friday said today that the only concern on which he agreed not to prosecute the farmer and his father, Adam Parkhurst, was that the young man agree to apologize for his action and pay the costs of the hearing and the broken window. This agreement was entered into and Parkhurst paid the court costs and the cost of the broken window.

Young Parkhurst hurled a rock at the motorman after an argument which developed when the farmer demanded that the car stop, while he covered cattle which he was chasing in the road near the Outer school. The car did slow down and even stopped momentarily, but Parkhurst said he did not leave the car. The court costs were \$14.00 and the cost of the window \$1.00.

D. M. O'Connell was counsel for Parkhurst and Attorney Charles Egler represented the traction company.

FATHER M'NULTY OPENS LECTURE SERIES TONIGHT

The first of the three lectures for men and women on the subject of "The Rev. M. F. McNulty, Jesuit priest of the Chicago Jesuit college, will be given this evening in the Holy Angels church in Locust street.

The McNulty is a forceful and entertaining talker and no one hearing him will be disappointed. The talks will be of great benefit to all men," says Grand Juror O. J. Gibbs of the speaker.

The Aurora Knights of Columbus will be in retreat this week and masses will be celebrated in all the Catholic churches in Aurora the mornings of May 17, 18, 19 and 20.

Middle in Sham Battle.

Chicago, May 15.—Six thousand "knights" of the Great Lakes Training Station at Lake Bluff will take part in a sham battle this afternoon, the feature of the first day in which the station will be open Wednesday afternoon for inspection by visitors.

Obituary

George W. Nance.

Mr. and Mrs. John Rose, of Fourth street, have received papers announcing the death of George W. Nance, 303 West Monroe street, Bloomington, on April 23. He was the husband of Cora B. Demorest Nance, a former well known Aurora girl. Besides his wife the deceased leaves one daughter, Olive. He had been an active worker and officer in the Christian church for 40 years.

WILLIAMS-PATTERSON

The marriage of Miss Gladys Patterson, daughter of Mr. and Mrs. William B. Patterson of Lebanon street and George Williams occurred this afternoon at 2 o'clock.

The Rev. F. Courrier of the Fourth Street Methodist church performed the ceremony in the presence of 30 relatives and friends.

The bride, attired in a gown of white tulle with silver lace and a white tulle train, was attended by her sister, Miss Edith Patterson, in pale blue silk. Ralph Granley was best man. Preceding the ceremony, Miss Grace Prindle sang "At Dawning." The Mendelssohn wedding march was played by Mrs. W. E. Bryant. Following the ceremony, light refreshments were served to the guests. Palmes were in the decorations of the home.

The bride and groom will reside for the summer with the latter's parents, Mr. and Mrs. William Williams, in Concord street. Both the bride and groom are active workers. In the Fourth Street Methodist church. The groom is employed at Mooseheart.

Attend the Lady Minstrels Red Cross Shop benefit at Fox Theatre tonight.

MITCHLER-KRUMM

A pretty wedding took place last evening at 6 o'clock at the Zion Evangelical church when Miss Lillian Krumm, daughter of Mr. and Mrs. Charles Krumm, was married to Mr. Mitchell.

The Rev. H. J. Courrier performed the ceremony using the double ring service. The church was prettily decorated with palms and ferns.

Following the ceremony Miss Marvel Moskop sang "I Love You Truly" and "Because I Love You, Dear." The Mendelssohn Wedding March was played by Miss Lillian Krumm.

The bride, entering the church on the arm of her father, was preceded by Miss Rose Mitchell, as maid of honor, Miss Ruth Burnett as bridesmaid and Fred Mitchell, Julius P. Miller attended the groom.

The bride's gown was of white George crepe and tulle. Her veil of tulle was caught with a bow of the valley. Her maid of honor wore green crepe de chine with touches of silver and the bridesmaid was dressed in pink tulle with touches of gold.

A large number of relatives and friends witnessed the ceremony and later attended the reception which was held in the parlors of the First Presbyterian church. A three-course dinner was served. The dining room was decorated in pink and green.

Following an extended eastern trip the bride and groom will reside at 116 Columbia street. The groom is employed as wire chief of the Inter-State Telephone company.

BUCKLEY-ROGAN

Miss Collette Rogan, daughter of Mr. and Mrs. W. H. Rogan, and George Buckley, son of Mr. and Mrs. Thomas Buckley, were married this morning at 9 o'clock at St. Mary's church by the Rev. J. P. McGuire.

The bride wore a handsome gown of white crepe and carried a bouquet of white roses and sweet peas. Her bridesmaid, Miss Catherine Rogan, wore white crepe de chine and carried yellow Killarney roses.

Following the ceremony a reception was held at the home of the bride. Twenty-five of the immediate relatives of the bride and groom were present. A wedding breakfast was served at 12 o'clock. The decorations of the home were carried out in yellow and white.

STREET DISPUTE GHOST UP AGAIN

Whether to Extend Or Not to Extend Kingsbury Avenue Debated Once More.

The proposed extension of Kingsbury avenue—like Banquo's ghost—was up again last night at a hearing in the city council chamber. Property owners who favor and oppose the proposed extension, attended.

Mayor Harley presided and Engineer Myron Tarble and Supt. of Streets, Fred DuSall, Ald. Fred Butke and A. A. George Schwartz of the Third Ward and City Attorney Kelley were also present.

The Kingsbury avenue extension was first considered at a time when the late Judge Russell P. Goodwin was city attorney of Aurora. It has been up many times since for discussion.

Some property holders want the street extended to Fourth street. It now runs west from Fifth street. It is between North and Center avenues.

During the hearing last evening Mayor Harley suggested making a new street from Kingsbury avenue north to North avenue.

It was suggested that the street be extended there will be room for 14 new houses.

The whole matter was finally referred to the streets and alleys committee of the council.

Social Chatter

Mr. and Mrs. Peter Hix of 538 Benton street have returned from a three months' trip to California and other western points.

A May day party will be given by the members of Section 8 of the Ladies Aid society of the First Presbyterian church to the members of the church on Thursday afternoon at the Robert Elliott home in Oswego. Those attending will go on the 1:20 o'clock Oswego car.

Mrs. H. C. Benton has gone to Ames, Iowa, to attend the funeral of a brother-in-law.

Mrs. W. R. Boardman of Chicago is spending a few days with friends.

John Rhoads of Grand avenue, who was taken ill at his work at the American Wood Working Machinery company yesterday, is somewhat improved.

MEMBERS OF AURORA BAR PLANNING LAW LIBRARY

A meeting of the Aurora Bar association will be held at 6 o'clock for the purpose of taking up the matter of a new law library for use of Aurora lawyers. It will be installed in some convenient building down town. There has been some talk of setting aside one of the rooms in the public library for this purpose. If arrangements can be made with the library board, it has also been suggested that a suite of rooms in some downtown office building might be rented for the purpose.

Twenty-five members of the Aurora association have already gone on record in favor of the new law library. Lee Miller, Jr., secretary, appointed chairman of a committee to go ahead and investigate the library proposition. It is being operated in other cities.

At Quincy, the attorneys have a law library which is said to be of great value. Attorney Bartlett of that city will be asked to come to Aurora and give the local lawyers a talk on the subject.

A library such as is planned by the local association would be of great value to the young attorney, it is said. In the library it is planned to have law books of every state and supreme court records of each state.

TRAIN KILLS AUTOIST

By Associated Press Leased Wire. Burlington, Iowa, May 15.—N. Dutton, a well known capitalist, was killed when the automobile he was driving was struck by a Rock Island passenger train at a street crossing here this morning. The engine of his car stalled directly in front of the train. Dutton observed the danger. He started to leave the car and was crushed between the locomotive and the automobile. His daughter, who was with him, escaped injury, although the automobile was thrown against a telephone pole and badly damaged. Dutton was on his way to a full engagement with a dentist.

News in Brief

Some Appointments Monday.—Mayor James E. Harley will send several of his appointments to the city council at the meeting next Monday night, he said today. However, he will not announce all of his appointments at this meeting, he said. He would not say whether or not any changes are to be made.

Seek Bunk Car Thieves.—The Aurora police were asked this morning by Special Agent Betts of the Burlington railroad to search here for two sneak thieves who yesterday afternoon broke into a bunk car at South and 28 in Aurora. One of the men, seen leaving the car, was about 25 years old and wore a grey overcoat.

Negro Arrested.—George Coffey, 23 years old, a negro, was arrested last night on complaint of Ernest Watson, also colored. The later claims that Coffey stole \$2 and a knife from him while he was asleep in a boarding car in the Burlington railroad yards near the High street viaduct. Coffey denies the theft. The two negroes were recently shipped here from the south to do railroad work.

Stolen Auto Here.—An Overland automobile, stolen at Morris last night, is believed to have been driven to Aurora by the thieves. Farmers near Yorkville said they believed they saw the car headed towards Aurora. Local police were asked to be on the lookout for the machine, but no trace of it was found here.

Births Far Ahead of Deaths.—During the month of April was far below the percentage of births. The records of the health department show that during the month there were 53 births and 43 deaths in the city. All births and deaths must be reported to the health department on or before the tenth of the following month.

Put in Passenger Service.—The first cut in passenger service on the North-Western lines, in furtherance of the government concentration plan, is expected in the new train schedules which will be issued this month. It was said at the local office of the North-Western today that no cuts are expected on the Aurora division.

Half Acre of Potatoes.—Charles ("Friday") Taylor has joined the gardeners who are trying to reduce the high cost of living and is spreading a half acre of ground in Farnsworth avenue where he will plant potatoes.

Held on Robbery Charge.—Edward Connor, arrested early yesterday morning after it was alleged he had stolen a suit out of the clothing of his friend and pal, G. H. Halner, was held to the grand jury on a charge of robbery by Police Magistrate Barlow this morning. The court fixed his bonds at \$2,000. While Halner was asleep in a room in the Schlitz hotel, Connor took all of his clothing but his underwear, shoes, socks, shirt, collar and necktie. Connor confessed to the theft but said that he did not know what he was doing as he had been drinking.

Spoonsiders in Place.—The iron "spoonsiders" were placed in Lincoln park today. This is one of the sure signs of spring. Spoonsiders should keep off the seats for a few days or their spring clothes may be ruined. The holders were painted today.

Color in This Story.—This story has color in it. The cry in every newspaper office is "Put color in your stories." Bert Hicks (colored), who has been working at the Waters end of the Lincoln highway, under course of construction, was arrested yesterday, on a charge of wife abandonment and taken to Elgin. At the hearing, which was stormy, Hicks was ordered held to await the action of the grand jury and his bond was fixed at \$1,000. Mrs. Hicks (colored) at the hearing named an Aurora man (colored) and Mr. Hicks at the hearing named a Gary, Ind. man (colored).

Movie Notes

All the girls are doing their best to make it easier for the boys called away from home. Anita Stewart, in no exception to this rule. Every day she carries some encouraging letter from her to some lad away from home, saving his country. In every case the other members of the detachment have asked to be favored and Miss Stewart has had to compromise by writing a letter to the company as a whole and sending a personally autographed picture to every individual.

Donald McBride has returned from a vaudeville engagement to play another burlesque in a Metro-Drew comedy, his specialty being burlesques with a facetious turn of mind. This time he will "burlesque" in "Rubbing It In," a one-act comedy by Pearl H. Leon, with Mr. and Mrs. Sidney Drew as co-stars.

Mrs. Mooncastle, a venerable member of the Sunset club who appeared in the comedy, "Henry's Thanksgiving," will again be seen with Mr. and Mrs. Sidney Drew in "Henry's Aunt's," a one-act screen comedy by Raymond L. Schrock. The Sunset club, an organization of self-help for

gives the little actress a great opportunity to show dramatic ability that does not submerge the winsome appeal she makes by exciting sympathy.

Viola Dana has begun work on her next feature production, "Aladdin's Other Lamp." This is an elaboration of Willard Mack's playlet, "The Dream Girl," which has been adapted for the screen by June Mathis and is being produced under the direction of John H. Collins. It will be a five-act Metro-Columbia production. "Aladdin's Other Lamp" is a different sort of story from any which its dainty little star has ever appeared on the screen. Miss Dana has the part of Patsy, a drudge in a boarding house in a sea-coast village.

"The monument to an effete superstition," he repeated. "That wasn't a bad idea. I hope he won't forget to send me his photograph."

CHAPTER IV. The Hotel. He left the dusty car with relief when the twin towns were called. The sun, plunging toward the horizon, was sending out long straight shafts of yellow light, staining the railroad buildings a deeper hue and playing queer tricks with faces and features. The yellow calcium lighted two stalwart Indians whose painted faces and streaming black hair, chains of tawdry beads and floating ribbons made the vacancy of their brown masks a grotesque contrast. Their survey of the train and the jostling passengers was as dispassionate and inquiring as the this brief invasion carried no meaning nor menace to them.

Rickard had expected to see a Mexican town, or at least a Mexican influence, as the towns hugged the border, but it was as vividly American as was Imperial or Brawley. There was the yellow-painted station of the Overland Pacific line, the water-tank, the eager American crowd. Railroad sheds announced the terminal of the road. Backed toward the station was the inevitable hotel bus of the country town, a painted board hanging over its side advertising the Desert hotel. Before he reached the step, the vehicle was crowded.

"Wait, gentlemen, I'm coming back for a second load," called the darky who was holding the reins.

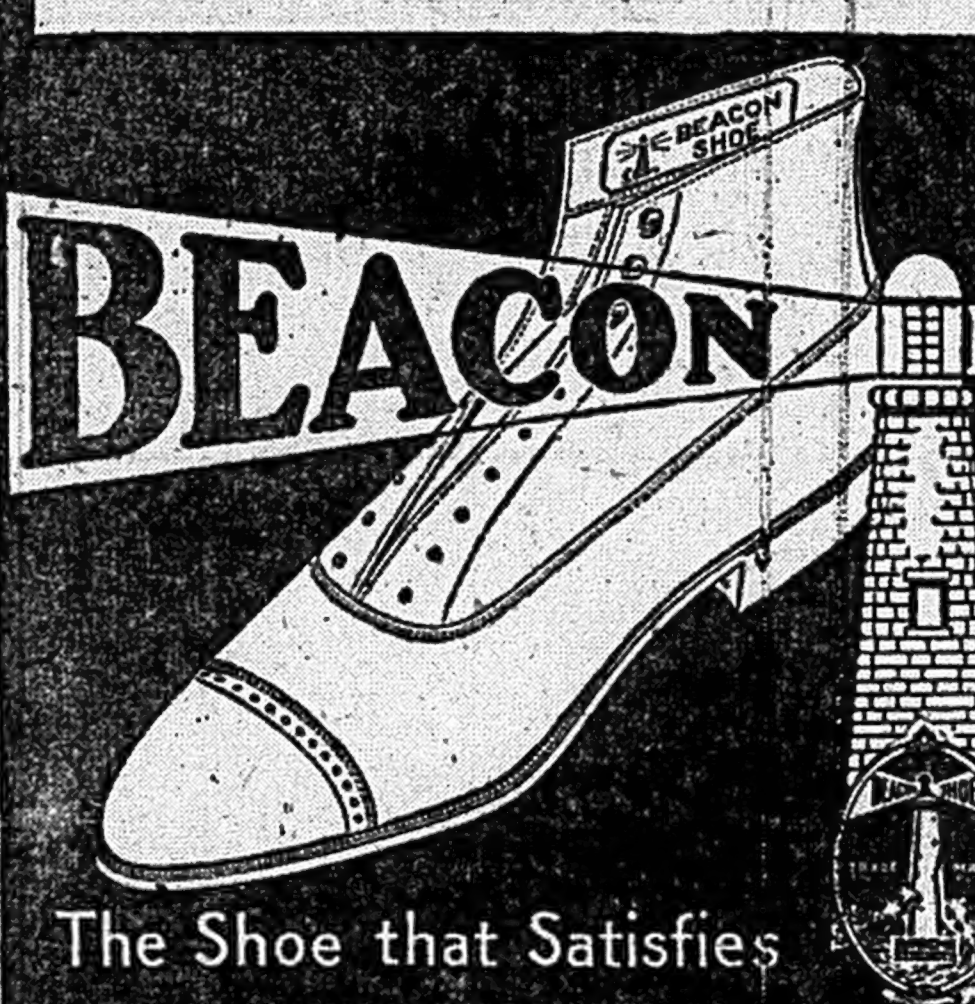

"If you wait for the second trip, you won't get a room," suggested a friendly voice from the seat above.

Rickard threw his bag to the grinning negro, and swung on to the crowded steps.

Leaving the railroad sheds he observed a building which he assumed was the hotel. It looked promising. Attractive with its wide enclosing veranda and the patch of green which distance gave the dignity of a lawn. But the darky whipped up his stolid horse. Rickard's eyes followed the patch of green.

Endurance—the Supreme Tire Quality

United States Tires have proved that they have that supreme quality,

—that miles are packed into their structure the way endurance is packed into steel.

A vast number of the motoring public know that by experience,

—and they have answered in the only way that the buying public can answer,

—by giving United States Tires tremendous sales increases,

—sales increases that are vastly greater than even the sensational increase in the number of automobiles this year over last.
